2014 Judges Up For Retention

Please keep in mind that this is info I received and posted in 2014.

Most info received from www.arizonajudgesreview.blogspot.com, ClearTheBench-az.com, JudicialPerformanceReview.com, Linda Bentley, reporter for the Sonoran News and others in the know. I will be voting YES for the names underlined and in Bold. I've noted the judges who received less than 60% of the vote for retention in the 2010 General Election. All others, except Karen O'Connor who received 71.66%, received in the 60s%. I was unable to gather info about some of Gov. Brewer's appointees so, hopefully, they are fair and honest.

Clear The Bench bases their ratings on the judge's abuse of power, disregard for law and facts, bias and/or due process violations. Input is from lawyers and citizens alike. CTB is doing great work trying to clean up our corrupt judicial system.

MARICOPA COUNTY SUPERIOR COURT

Anderson, Arthur T. – Hull 1999 Appointee - considered soft on crime.

Brodman, Roger R. – Symington 2002 Appointee – moderate Republican. Serves in Juvenile Court

Cooper, Katherine M. – Brewer 2011 Appointee – Serves in Civil Court. Does whatever she wants and ignores the law. She is frequently overturned on appeal because of very questionable rulings. It is reported that she wastes taxpayer money by letting cases go to trial that are obviously frivolous and should be dismissed. For her ruling on the \$317 million funding boost go to:
